REASONS FOR ALLOWANCE

1. Claims 1-8, 18 and 23 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not anticipate nor render obvious to one ordinary skilled in the art an electro-optical device comprising a combination of various elements as claimed, more specifically, a shielding layer disposed above the data line and below the pixel electrode, a first storage capacitor electrode electrically connected to the thin film transistor and the pixel electrode, a second storage capacitor electrode electrically connected to the shielding layer and overlapping the first storage capacitor in plan view, the second storage capacitor electrode being electrically isolated from the data line and being formed in the same layer and from the same material as the data line, a first titanium nitride film being included in the shielding layer and being formed along the data line and wider than the data line, a second titanium nitride film included in the data line and the second storage capacitor electrode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
